## Field Service Technician – Commercial & Residential Roofing

### Description

Roof Depot, Inc. is currently looking for a Roofing/Field Service Technician for our Atlanta and surrounding locations.

Roof Depot has been a leader in the commercial and residential roofing industry for 24 years. We are continuing to experience successful growth throughout the United States. The successful candidate for this opportunity will have an uncompromising dedication to customer service, quality control, and safety.

As a member of the Service Team, you and another team member will be assigned to a Service Truck and will be responsible for executing planned maintenance, repairs, and inspections of existing roof systems throughout the Atlanta area and the Southeast.

### Responsibilities

- Complete initial safety and technical training on-boarding
- Interact with clients in commercial and residential environments
- Investigate and repair commercial/residential roofing deficiencies
- Complete small / medium repair projects on various roofing systems
- Successfully operate software apps and cameras
- Perform Recommended Action inspections on all jobs
- Diagnose a variety of roof leaks, identify cause of existing leaks, and predict/prevent future leaks for repair and warranty calls
- Able to remove and replace shingles, flashing, etc.
- Ability to patch TPO and repair TPO flashings
- Clean gutters
- Follow established procedures and approved processes

### Qualifications

#### Required Skills/Competencies

- This position requires that the person be a highly organized, self-motivated individual who can work independently
- Must be able to manage multiple tasks and priorities and easily adapt to changing situations
- Computer literate
- Must be able to complete and pass a pre-employment drug test
- Must be able to tolerate heights and climb ladder
- Must be able to climb roofs of varying pitches and heights (flat to 8/12 pitch)
- Must be able to stand, walk and bend for long periods of time
- Must be able to lift 60 lbs.
- Must be able to work outdoors in varying and extreme climate conditions

### Education and Experience

### Hiring organization

Roof Depot
