Field Construction Manager – New Construction Roofing – Greenville, SC

Description

Job description

Roof Depot, LLC. is offering a solid career opportunity for a Field Construction Manager within the Residential Tract Home Division in the Greenville, South Carolina area.

The Field Construction Manager (FCM) is involved in all stages of roofing by overseeing the production process, coordinating the labor, maintaining OSHA compliance, ensuring the correct and timely supply of materials, and monitoring the quality of the products and installation in their assigned territories or subdivisions. FCM works closely with builders to establish and maintain clear and concise communication. Communicates with crews. Prepares punch -lists and performs final walk-through check list.
